

GIB AM Sustainable World Corporate Bond Fund I2

Article 9 / SFDR

Marketing Communications

Portfolio Managers

Samantha Lamb
Pascal Nicoli
Thomas Hansen

Investment Objective

The Fund's investment objective is to achieve income and capital growth through investment in a portfolio of global corporate bonds issued by companies that the Investment Manager believes have the potential to create a positive impact on global sustainability.

The Fund is actively managed by reference to and seeks to outperform the Bloomberg Global Aggregate Investment Grade Corporate incl. High Yield and EM (USD Hedged) Index. The Fund is mainly exposed to the issuers of the benchmark, however, the management of the Fund is discretionary, and will be exposed to issuers not included in the benchmark. The Fund monitors risk exposure in relation to the benchmark however the extent of deviation from the benchmark is expected to be material.

The risk indicator assumes you keep the product for 5 years. The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movement in the markets or because we are not able to pay you.

The SRI represents the risk and return profile as presented in the PRIIPS Key Information Document (KID). The lowest category does not imply that there is no risk. The SRI is not guaranteed and may change over time. Please refer to the Prospectus for complete information on the investment policy, objectives and strategy of the Fund. All investments involve risks.

The risk information in this document is intended to give an idea of the main risks associated with this fund. Any of these risks could negatively impact the value of the fund. Please refer to the Prospectus and PRIIPS KID available at www.gibam.com for further information on risks.

Investors should be aware there is no guarantee that the Sub-Fund will achieve its investment objective.

Main risks: counterparty risks, credit risk, currency hedging at share class level risk, liquidity risk, changes in interest rates risk, sustainable investment risks, derivatives and securities financing transactions risk, CoCo bonds risk, depository risk, emerging markets risk, efficient portfolio risk, investment fund, risks associated with an investment in convertible securities and hybrid securities, financial markets and regulatory change.

Note: The Internal Guidelines referenced do not necessarily represent prospectus/statutory limitations. These internal guidelines are used as guidance in the daily management of the portfolio's investments. These guidelines are subject to change and should not be relied upon as a long term view of the portfolio's exposures, limitations and/or risks.

For Professional Investors Only. This fund factsheet has been prepared and is issued by GIB Asset Management, a trading name of Gulf International Bank (UK) Ltd (GIB UK) which is authorised by the Prudential Regulatory Authority (PRA) and regulated by the Financial Conduct Authority and PRA. Registered in England: 01223938. This document is not aimed for distribution in any jurisdiction where it is unlawful to do so, and may not be reproduced or disclosed in whole or in part to any other person without GIB UK's prior written consent. This document is not an offer, or solicitation, to purchase any product or service rendered by GIB UK and is not directed at Retail Clients in the European Economic Area. Some of the portfolio's investments may be relatively illiquid, bringing potential difficulties in valuing and disposing of such investments. Proper information for determining their value or the risks to which they are exposed may also not be available. The movement of exchange rates may have an effect, unfavourable as well as favourable, on the gain or loss otherwise experienced on the investments contained within the portfolio. The value of investments may fall as well as rise, and there can be no guarantee that investors will receive back the amount originally invested. Past performance is not a reliable indicator of future results. Equity investments should always be considered as long term. Investors should not purchase the Fund referred to in this document except on the basis of information contained in the Fund's Prospectus. Nothing contained in this document constitutes investment, legal, tax or other advice and it is not to be relied on in making an investment or other decision. You should obtain relevant and specific professional advice before making any investment decision. The Fund's prospectus and Key Investor Information Document (KIID) are available from www.gibam.com or direct from GIB Asset Management. A summary of information about investors rights and collective redress mechanisms can be found in English on the governance page here.

Past performance is not a reliable guide to future performance. The value of your investment may go down as well as up. If you invest in this fund you may lose some or all the money you invest. This fund may be affected by changes in currency exchange rates. The management company of GIB AM Sustainable World Corporate Bond Fund a sub-fund of is Amundi Ireland Ltd, 1 George's Quay Plaza, George's Quay, Dublin 2, Ireland. Please note that the management company may de-notify arrangements made for marketing as regards shares of the fund in a Member State of the EU in respect of which it has made a notification. Amundi Ireland Ltd is authorised and regulated by the Central Bank of Ireland.

MainStreet Partners implements a structured due-diligence process using a robust methodology to evaluate a fund's ESG and Sustainability performance. The Fund receives an ESG rating from 1 to 5 with 5 being the highest score. A rating of 3 and above qualifies as "ESG Certified"
